## MacNeill Group News - Rates Reduced for Wind Excluded Business in Florida

MacNeill is the place to turn to when looking for the best possible rate on x-wind business

For 64 years, MacNeill Group has been proud to be an MGA that listens to its agency force and adapts to the changing needs of the market. We're excited about the future and there is more to come. We'll continue to do our best to incorporate your suggestions every step of the way.

In an effort to write additional quality x-wind business effective immediately we have reduced our rates for X- wind business in the state of Florida.

The reduction applies to all classes of constructions including frame, joisted masonry, non-combustible, masonry non-combustible, modified fire resistive and fire resistive.

Additionally we have increase the allowable credit for AOP deductible options.
