

# macneill group®

*Serving independent agents in the toughest-to-insure markets.*

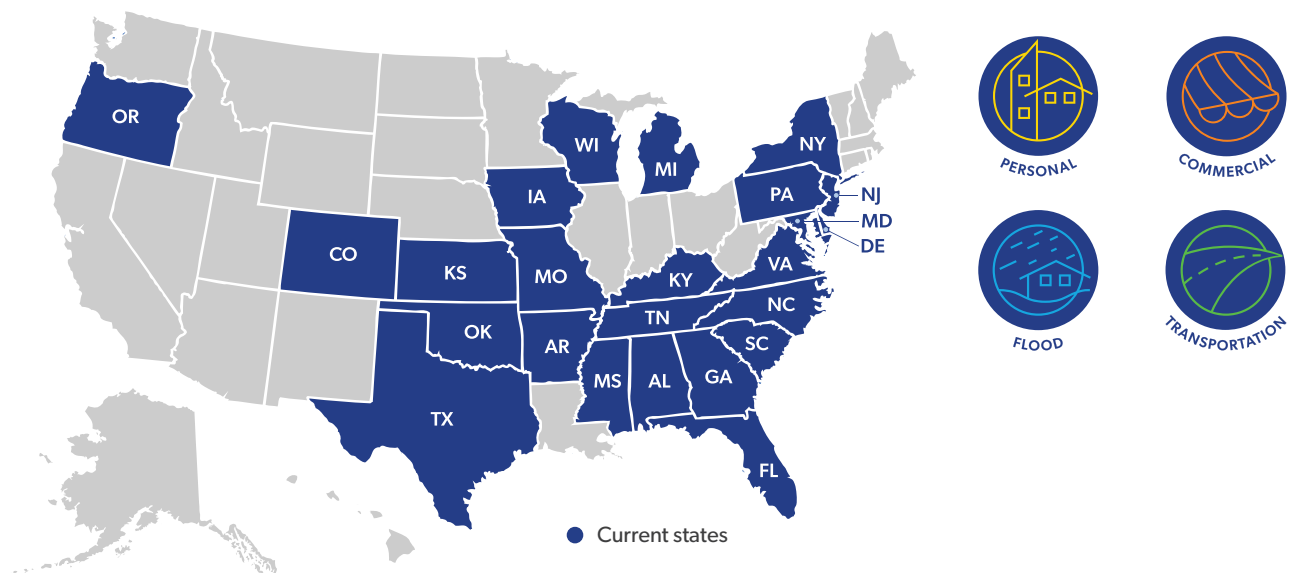

## Ensuring local agent success.

Established in 1946, MacNeill Group has grown from a dependable local Florida insurance provider to one of the most trusted licensed MGAs and wholesale brokerages in the P&C insurance marketplace.

By providing solutions for hard-to-place risks, we ensure our agent partners can respond to customers with options when their in-house markets decline. Our depth of carrier partners are market leaders and carry the financial security to ensure you receive the best coverage and pricing to protect your client.

## MacNeill by the numbers.

We currently serve approximately 3,000 independent agents and are in the process of onboarding hundreds more as part of our PEAK6 InsurTech integration.

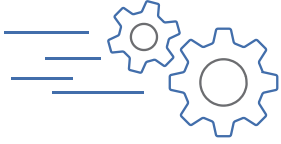

## Teams. Technology. Access.

Our brand promise of Teams, Technology and Access empowers you to offer tailored solutions that meet specific client needs so you can continually expand and grow your business. With access to our broad E&S capabilities along with more than 200 admitted classes, we can help you say, "yes," to clients more often.

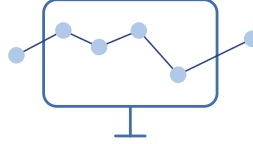

## Teams

As a MacNeill agent, you are provided access to coverage-specific Producers and dedicated territory Marketing Representatives to help you navigate the broad range of solutions MacNeill provides.

### Rapid Onboarding

Agents get up and selling quickly, with all the knowledge, resources and support they need to be successful.

### Tech + Help

Our MOUS<sup>®</sup> technology allows you to get instant price indications that you can send immediately to your expert producer for a firm and fast quote.
